Pursuant to Rule 11.1 of the Commission's Rules of Practice and Procedure and pursuant to an email dated May 5, 2016 from Administrative Law Judge ("ALJ") Burton Mattson, for ALJ Gary Weatherford, Marina Coast Water District ("MCWD") respectfully requests a ruling authorizing three small, but nonetheless important, corrections to the transcript of the record in this proceeding. Attached hereto as Attachment 1 is a true copy of ALJ Mattson's email, which incorporates MCWD's initial request to Chief Hearing Reporter Ana Gonzalez and which attaches copies of the relevant transcript pages. The requested corrections are as follows:

- 1) April 11, 2016 Prehearing Conference transcript, on page 346 at line 6, in the statement by counsel for MCWD, the word "notorious" should be changed to "meritorious."
- 2) April 14, 2016 Evidentiary Hearing transcript, on page 2814 at the beginning of line 16, in the testimony of witness Thomas P. Moore, the word "ag" should be changed to "Ord."
- 3) April 14, 2016 Evidentiary Hearing transcript, on page 2814 at the beginning of line 21, in the testimony of witness Thomas P. Moore, the word "can" should be changed to "can't."

MCWD believes that it is important to make the foregoing corrections, because without them the meaning of the speaker's statement on the record would be altered materially and therefore would be inaccurate.

DATED: May 5, 2016

Respectfully submitted,
